7 On page 3, line 17, after "(1)" insert "The legislative recognizes  
8 the airport's role as a major economic engine in the Puget Sound  
9 region and the state of Washington now and in the future. The  
10 legislature also recognizes that the airport's agenda for future  
11 growth includes redevelopment of the airport concessions program. The  
12 legislature finds that this growth and redevelopment create unique  
13 opportunities to preserve and expand employment prospects and improve  
14 job security for concessions employees, and also to meet conditions  
15 and achieve minority- and women-owned business participation goals of  
16 federal aviation administration and other federal programs. The  
17 legislature therefore intends to establish labor and employment  
18 standards for contractors and subcontractors, consistent with the  
19 exclusion for disadvantaged business enterprises in section 1(6) of  
20 this act.

4 "(10) Subsections (2) through (9) of this section do not apply to

7 or subcontracts counted toward achieving the minority- and women-owned  
8 business participation goals of federal aviation administration and  
9 other federal programs."

EFFECT: Adds language: (1) recognizing the airport's role as a major economic engine and that the airport's agenda for future growth includes redevelopment of the airport concessions program; (2) finding that this growth and redevelopment creates opportunities to preserve and expand employment prospects and improve job security for concessions employees, and also to meet conditions and achieve minority- and women-owned business (MWB) participation goals of the Federal Aviation Administration and other federal programs; and (3) expressing legislative intent to establish labor and employment standards, consistent with the airport concessionaire disadvantaged business enterprise (ABCDE) exclusion.

Excludes ACDBEs from the notice, employment, and labor peace agreement requirements in the underlying bill, and specifies that these requirements do not apply to contracts or subcontracts counted toward achieving the MWB participation goals of the Federal Aviation Administration and other federal programs.
